Remarks/Arguments

The undersigned thanks the Examiner for the courtesies extended during telephone conferences of May 31 and June 1 for this application.

The Examiner is requested to enter this Supplemental Amendment pursuant to 37 C.F.R. § 1.111(a)(2). The Amendment is entered at the request of the Examiner, to enter suggested amendments to claims 1 and 17. Claim 1 is amended at the request of the Examiner to delete "CH-F" from the possible Z groups. According to the Examiner, CH-F was withdrawn from the elected subject matter by the office action dated May 5, 2006. Claim 17 is amended at the request of the Examiner to recite a method of treating Alzheimer's Disease.

Although not specifically requested by the Examiner, the amendment to claim 6 (deleting the definition of Z) is made necessary by the amendment to claim 1.

In addition, the Amendment cancels claim 15, at the request of the Examiner.

After entry of this amendment, claims 1, 6-9, 11-14 and 17 are pending and are in condition for allowance.

In view of the action taken and arguments made, it is believed that all pending claims 1, 6-9, 11-14 and 17 are now in condition for allowance.

Favorable action is earnestly solicited.

Respectfully submitted,

By
